6 th	7					
7 th	6					
8 th	5					
9 th	4					
10 th	3					
11 th	2					
12 th etc	1 etc.					

Note: Points scored in Clubmans Motorcycles are not carried over to Superbikes / Super Masters / 600's when a rider breaks out into Superbikes / Super Masters / 600's.

- 13.1 Competing riders who are ineligible for the championship will be ignored in the results for the purpose of scoring the Championship.
- 13.2 Rider/motorcycle combinations that have competed in the previous year's Clubman Riders Championship will carry their class classification into the current year. If the time slot for an existing rider/motorcycle combination has changed, classification will take place at the combination's first timed qualifying in the current year. New rider/motorcycle combinations entering at the start of the current season, will obtain their class classification from their official timed qualifying for the first race of the season.
- 13.3 Any new rider/motorcycle combination entering a race from round 2 onwards, will be required to compete in one race meeting (in Class X) before being allocated to a class and scoring points. Class classification will be taken from the fastest lap time recorded while in Class X. If the track is wet, the rider's classification will be determined by being within 115% of the fastest class rider. If the rider missed a previous race meeting, in the current year, the new rider/motorcycle combination will receive a class classification according to the results of the official timed qualifying for the new combination's first race. Should the rider enter a later meeting on the original motorcycle the rider/motorcycle will be required to complete one race meeting in Class X. (applicable only if the engine capacity of the two motorcycles is different.) If a rider changes motorcycles of the **same engine capacity** during the year, then the rider will **not** be required to compete in Class X. However, the motorcycle that has been scrutineered is deemed to be the nominated motorcycle for the day. If a rider uses a second motorcycle on the same day he/she will compete in Class X on the second motorcycle.
- 13.4 Any rider who breaks out of his/her class **twice (ie. any 2 laps in the next time bracket) in qualifying or in any of the two races**, will be promoted to the class in which the particular time is relevant, effective as of the following race meeting.
- 13.5 A rider may only move up in class classification. If the rider should change motorcycle for the purpose of completing the balance of the Championship, and this rider/motorcycle combination falls into a lower class, then application may be made to the Controllers in writing for permission to compete in a lower class. Should the application be successful, the rider concerned may forfeit 10% of the points gained in the previous class. The decision of the Controllers will be final and binding.

**REGULATIONS AND SPECIFICATIONS FOR THE 2018 WPMC
CLUBMAN RIDER'S CLUB CHAMPIONSHIP**

- 13.6 A competitor who has scored points in more than one class for the year, will be allocated a class position for the year, in the class in which the highest percentage of points were scored, calculated using the competitor's total points scored for the year, after any possible 'dropped' points have been taken into account. The competitor's total points scored (after 'dropped' points) will be used when allocating the class position. If the number of points is equal in both of the classes, the competitor will be given a position in the class in which highest number of 1st positions were recorded. If this is still equal, then the number of 2nd positions will be used (then 3rd etc) to determine the class.
14. **COMPETITION NUMBERS**
Shall be allocated by the WPMC Motorcycle Section on behalf of the Controllers. Competition Numbers must be displayed in accordance with MSA GCR's, SSR's and applicable Bulletins issued by MSA, in ALL regards.
15. **NUMBER OF CHAMPIONSHIP RACES TO COUNT**
The top 16 (sixteen) race scores for a competitor in the 2018 calendar year will count towards the Championship. If more qualifying races are run, the competitor may drop **the worst race results**, with the top 16 (sixteen) counting for the overall title. If less than 16 (sixteen) races are run, then all scores will be counted for the overall title.
16. **SEPARATION OF TIES**
Refer to GCR 229
17. **ANNOUNCEMENT OF POINTS AWARDED**
Scoring for each qualifying event will be available at the WPMC office on the second Monday following the event, and any objections concerning the scoring must be received by that office, in writing, not later than the Friday following the Monday on which the scoring became available.
18. **DECLARATION OF CHAMPION**
The WPMC Motorcycle Sub Section Committee, at its sole discretion, is responsible for declaring the Champion or to withhold such declaration.
